To Whom It May Concern:

I am pleased to write this letter of recommendation for Cooper Daniel Trahan. During the time we worked together (July 2023 – September 2025), Cooper consistently demonstrated a strong work ethic, reliability, and a positive attitude while serving in multiple roles, including banquet setup, bar back, bus help, and server.

One of Cooper's greatest strengths is versatility. He adapted seamlessly to different responsibilities and always approached each task with professionalism and attention to detail. Whether preparing banquet rooms to ensure events ran smoothly, supporting bartenders during busy service periods, assisting servers by maintaining clean and organized dining areas, or providing excellent customer service as a server, Cooper consistently exceeded expectations.

His ability to work efficiently in fast-paced environments, communicate effectively with team members, and anticipate guests' needs made them a valuable member of our team. He was dependable, punctual, and always willing to step in wherever help was needed. His positive attitude and commitment to delivering exceptional service contributed to both guest satisfaction and the overall success of our events.

I am confident that Cooper will be an asset to any organization. He possesses the teamwork, adaptability, and customer service skills necessary to excel in the hospitality industry and beyond. I recommend him without reservation and believe he will bring the same level of dedication and professionalism to any future opportunity.

If you have any questions or need additional information, please feel free to contact me.

Sincerely,
